Varn® Antistatic Solution

Concentrated antistatic additive for silicone emulsions

Conditioning solution for Heatset web printing

Product Features

- Varn® Antistatic Solution is a conditioning fluid formulated to enhance the performance of silicone solutions used for paper treatment in the Heatset-Web market.
- Varn® Antistatic Solution is suitable for all types of presses and dramatically improves press performance by eliminating the problems attributed to static build up in folders and sheeters.
- For optimum performance the product should be used at 1-4% dilution in conjunction with a Varn® silicone solution.

Advantages of Varn® Antistatic Solution

- Eliminates static on difficult substrates.
- Minimises folder jams.
- Increases productivity.

Varn® Antistatic Solution

Features	Advantages	Benefits
<ul style="list-style-type: none">Combines in one additive all the necessary antistatic and wetting agents required for difficult substrates to be folded or sheeted.	<ul style="list-style-type: none">Contains a high antistatic content.	<ul style="list-style-type: none">Reduces foam to produce a uniform coating on the web.
<ul style="list-style-type: none">Compatible with the entire Varn® silicone range.	<ul style="list-style-type: none">Actively enhances the wetting characteristics of the majority of silicone solutions.	<ul style="list-style-type: none">One product for all applications.
<ul style="list-style-type: none">Compatible with the Varn® DI-150 Doser, allowing accurate dilution and economical use.	<ul style="list-style-type: none">Excellent mileage at low dosage.	<ul style="list-style-type: none">Economical.
<ul style="list-style-type: none">Not classified as hazardous.	<ul style="list-style-type: none">Easy to store.	<ul style="list-style-type: none">Safer pressroom environment.

Product code

KU40-5ASG-#### (final 4 digits relate to pack size).

Pack sizes

10 litres (01F9), 20 litres (01H5), 200 litres (01N1) and 1000 litres (01U0).

Recommended dosage

Between 1% and 4% concentration, in the mixed silicone.

More products. Streamlined access. Greater results.

Flint Group's Print Media division offers a uniquely powerful combination of products, services and expertise; giving you access to the industry's broadest range of pressroom products.

Inks and Coatings. Pressroom Chemicals. Blankets. Sleeves. Consumables.

Rely on us for consistency, reliability and customer focus. Our aim is to make it easier for you to achieve your business goals. With Flint Group products in your pressroom, you can run your business with confidence and peace of mind.

You are welcome to contact us for further information.
